WORK EXPERIENCE

Tech Educators & Tag Retail Systems **Hull, England**
Junior Developer Sep 2024 – May 2025

Junior Software Developer (TAG Retail Systems)
- Delivered Vue.js features and integrated REST APIs with a C# backend, applying agile practices (Git, Jira, testing) to ensure system reliability and user experience.
- Collaborated closely with backend engineers, gaining exposure to database integration and system testing.

Teaching Assistant / Location Lead
- Mentored 30+ junior developers on JavaScript, React, and APIs, boosting project outcomes.
- Supported live delivery through teaching, reviews, and troubleshooting under time pressure.

360 Office Limited **Hull, England**
Office Manager Aug 2021 – Sep 2022
- Managed 90+ printers, provided first-line IT support, resolving and escalating issues to minimise downtime.
- Balanced IT troubleshooting and admin tasks, ensuring smooth operations across departments.

Regus, IWG Group **London, England**
Acting Centre Manager Nov 2017 – July 2021
- Managed operations for a 200-desk center, liaising with IT teams to resolve issues for 100+ clients.
- Implemented IT reporting processes and onboarding checklists, reducing recurring technical issues for clients.

PROJECTS

E-Commerce App (Team Project) - Live Demo
- Built a Next.js marketplace with auth and payments, applying secure coding and database integration, delivering a secure MVP in agile sprints.
- Integrated PostgreSQL APIs, reusable components, and AWS S3 for image storage, ensuring reliable features and consistent user experience.

Restaurant Website (Solo Project) - Live Demo
- Developed a booking site with form validation, maps, and automated emails to improve usability.
- Tested across devices to ensure a robust, responsive, and accesible experience.

Rating System with Data Visualisation (Full-stack Project) - Live Demo
- Created a React rating system with auth and real-time data for secure feedback collection.
- Delivered interactive visualisations with responsive UI to boost engagement and clarity.

EDUCATION

London School of Commerce **London, England**
MBA 2013 – 2014

St Mary's University **London, England**
BA in Business & Management 2010 – 2013
